

Ice Technician/Ice Maker - Melfort Curling Club

The Melfort Curling Club is seeking an Ice Technician/Maker for the 2026/27 curling season. With our current Ice Technician retiring at the end of the upcoming season, we are looking for an individual interested in joining the Club part-time this season, with the intention of continuing in the role for the full 2026/27 season.

To support a smooth transition, the preferred candidate will be available for paid part-time training during the final 4–8 weeks of the 2025/26 season (February/March), working alongside the current Ice Technician.

About the Club

The Melfort Curling Club operates a six-sheet facility with a season running from November to March. The Club hosts five weekly league draw times, weekly youth programming & practice ice four days per week. Most weekends are unscheduled, aside from occasional bonspiels, rentals, or special events.

Key Responsibilities

- Install, maintain & remove curling ice
- Flood, pebble, scrape, nip & monitor ice conditions
- Maintain consistent playing conditions across all sheets
- Prepare ice for leagues, youth programs, practices, events & rentals
- Operate & maintain ice-making equipment
- Communicate with the Club Manager & Board

Qualifications

- Interest or participation in curling is a strong asset
- Ice technician experience or training is an asset
- Willingness to attend ice technician courses - funded by the Club
- Able to work independently & perform physical tasks
- Reliable, detail-oriented & comfortable with a seasonal schedule
- Clean Criminal Record Check including Vulnerable Sector Check

Hours & Compensation

Day-to-day scheduling is flexible, provided all required tasks are completed to meet the curling schedule. Final ice preparation is required prior to scheduled draws. This is a contract position for the 2026/27 season, with monthly compensation of \$3,000–\$3,500, depending on experience. Training compensation will be negotiated separately.

To Apply

Submit a brief resume or expression of interest to info@melfortcurling.ca by **Sunday, February 8, 2026**. Interviews may be conducted as applications are received.
